

# MAKE THE MOST OF YOUR **HSA**

with the *Avidia Health Smart HSA Mobile App*

**Completely FREE to use**, the Avidia Health Smart HSA Mobile App, has made it easier than ever for you to take full advantage of your HSA. With an intuitive layout, clean design and seamless integration, you can easily access all features of your HSA account. That includes everything from checking your HSA balance to viewing individual claims.

## WHAT YOU CAN EXPECT FROM THE SMART HSA MOBILE APP

**Access to real-time information** so you always have up-to-the-minute data and insights

**Cost and quality insights** that allow you to search for procedures and providers

A **virtual medicine cabinet** for managing your monthly drug costs

**Modern and user-friendly** register for your HSA account from your app instead of online

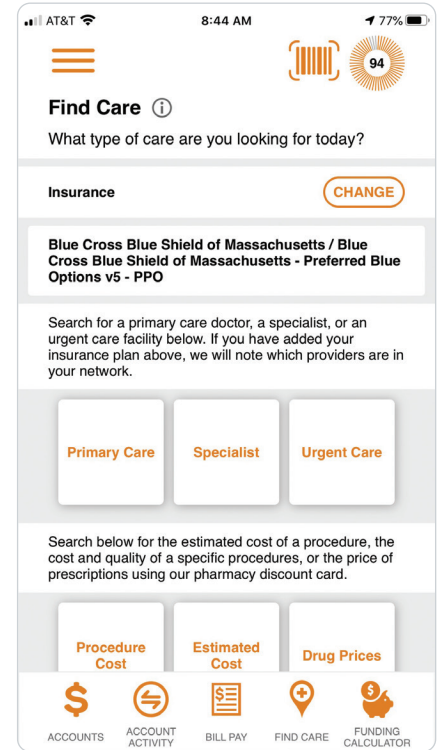

**Data driven tools**, including a customized Smart Score that guides and gives you personalized recommendations so you can make informed decisions about where and how to best spend and save your healthcare dollars

**Long-term savings recommendations** based on your known chronic conditions
